Redline Neal Holman, 2018-02-13
MARS. The near future-ish. For now, mostly a military base, a place where people like Superintendent Denton Coyle get stuck doing the same thing every day. Until a bomb goes off, killing hundreds of humans. The easy explanation is to say the Locals did it—they haven't been so happy with the human population moving in. But Coyle doesn't think it's that simple... especially after he finds a key piece of evidence linking the present events to those of his past. This hilarious and never introspective mystery should either leave you satisfied or feeling like you're about to crap your pants. Ideally, both.

Redline Archeology

Young, 2018-09-15 Redline Archeology answers the on-going demand of Hot

Wheels collectors' desire to learn the secrets to discovering rare, original collections. Sparked by a child's excitement over a new toy in 1968, the book chronicles 25 years of amazing scores. The detailed history recounts how Bob Young has become one of the most successful and unique collectors in the hobby today. The secrets within the pages reveal how he discovered original collections, to how his techniques have evolved with the ever-changing technology. Filled with great photos and stories about some of the most interesting and incredible finds, Redline Archeology is a must read for any serious collector of not only Hot Wheels, but any collectible.

Red Line Joby Warrick, 2021-02-23
In Red Line, Joby Warrick, the Pulitzer Prize-winning author of Black Flags, shares the thrilling unknown story of America's mission in Syria: to find and

destroy Syria's chemical weapons and keep them out of the hands of the Islamic State. In August 2012, Syrian president Bashar al-Assad was clinging to power in a vicious civil war. When secret intelligence revealed that the dictator might resort to using chemical weapons, President Obama warned that doing so would cross "a red line." Assad did it anyway, bombing the Damascus suburb of Ghouta with sarin gas, killing hundreds of civilians, and forcing Obama to decide if he would mire America in another unpopular war in the Middle East. When Russia offered to broker the removal of Syria's chemical weapons, Obama leapt at the out. So began an electrifying race to find, remove, and destroy 1,300 tons of chemical weapons in the midst of a raging civil war. The extraordinary little-known effort is a triumph for the Americans, but soon Russia's long

game becomes clear: it will do anything to preserve Assad's rule. As America's ability to control events in Syria shrinks, the White House learns that ISIS, building its caliphate in Syria's war-tossed territory, is seeking chemical weapons for itself, with an eye to attack the West. Drawing on astonishing original reporting, Warrick crafts a character-driven narrative that reveals how the United States embarked on a bold adventure to prevent one catastrophe but could not avoid a tragic chain of events that led to another.

Metro 2035 Dmitry

Glukhovsky,2016-12 Twenty years after Doomsday, survivors of World War Three live in an underground world they have created in the subway system of Moscow. The most stubborn of the survivors, Artyom, will give anything to find and lead his own people to life again on the earth's surface.

A Red Line in the Sand David A.

Andelman,2021-01-05 A longtime CNN columnist astutely combines history and global politics to help us better understanding the exploding number of military, political, and diplomatic crises

around the globe. The riveting and illuminating behind-the-scenes stories of the world's most intense "red lines, from diplomatic and military challenges at particular turning points in history to the ones that set the tone of geopolitics today. Whether it was the red line in Munich that led to the start of the Second World War, to the red lines in the South China Sea, the Korean Peninsula, Syria and the Middle East. As we traverse the globe, Andelman uses original documentary research, previously classified material, and interviews with key players, to help us understand the growth, the successes and frequent failures that have shaped our world today. Andelman provides not just vivid historical context, but a political anatomy of these red lines. How might their failures be prevented going forward? When and how can such lines in the sand help preserve peace rather than tempt conflict? A Red Line in the Sand is a vital examination of our present and the future—where does diplomacy end and war begin? It is an object lesson of tantamount importance to every leader, diplomat, citizen, and voter. As America establishes more red

lines than it has pledged to defend, every American should understand the volatile atmosphere and the existential stakes of the red web that encompasses the globe.

The Elite Redline Guide Jack Clark,Sid Belzberg,2010 Identification and values of collectible hot wheels from 1968 to 1977.

The Red Line Walt Gragg,2017-05-02 WWII explodes in this electrifying debut military thriller in the tradition of Red Storm Rising and The Third World War. "Delta-Two, I've got tanks through the wire! They're everywhere!" World War III explodes in seconds when a resurgent Russian Empire launches a deadly armored thrust into the heart of Germany. With a powerful blizzard providing cover, Russian tanks thunder down the autobahns while undercover Spetsnaz teams strike at vulnerable command points. Standing against them are the woefully undermanned American forces. What they lack in numbers they make up for in superior weapons and training. But before the sun rises they are on the run across a smoking battlefield crowded with corpses. Any

slim hope for victory rests with one unlikely hero. Army Staff Sergeant George O'Neill, a communications specialist, may be able to reestablish links that have been severed by hostile forces, but that will take time. While he works, it's up to hundreds of individual American soldiers to hold back the enemy flood. There's one thing that's certain. The thin line between victory and defeat is also the red line between life and death.

Placental and Gestational Pathology with Online Resource Raymond W. Redline, Theonia K. Boyd, Drucilla J. Roberts, 2018-08-23 A guide to identifying disease processes in the placenta affecting pregnancy outcome, with current diagnostic criteria and clinical consequences.

British Petroleum and the Redline Agreement Edwin Black, 2011 How did the West get Middle East Oil? The tense chronicle of the international deceit and strong-arm tactics of men, oil companies and government is laid out in a revealing minute-to-minute drama. Massive research supports this unforgettable revelation by a master of corporate investigation--author Edwin

Black.

Redfield Farm Judith Redline Coopey, 2010-08 The story of Ann Redfield, a young Quaker woman whose brother, Jesse, is involved in the Underground Railroad. Ann's devotion to her brother runs deep, so she joins him in the struggle. Together they lie, sneak, masquerade and defy their way past would-be enforcers of the hated Fugitive Slave Law. Their dedication to the cause complicates relationships with their fellow Quakers, pro-slavery neighbors and even the fugitives themselves. When grave disappointment shakes Ann to her roots, she turns to one of the fugitives for comfort, and comfort leads to intimacy. The result, both poignant and inspiring, is life-long devotion to each other and their cause. Redfield Farm is a tale of compassion, dedication and love, steeped in the details of another time, but resonant with implications for today's world. The author brings a deep understanding of the intricacies of the Underground Railroad, lending authenticity and truth to this tale of a life well-lived and a love well-founded.

Redline Archeology 2 Bob

Young, 2021-09-18 Redline Archeology 2 uncovers all the secrets to finding the original Redline Hot Wheels cars and collections from the sixties and seventies. Ignited by a single car in 1968, the author has discovered approximately thirty thousand vintage Hot Wheels cars over the past thirty years. The detailed history leading up to the author's introduction to Hot Wheels will take you down a remarkably familiar memory lane. Readers will certainly relate to many of the author's stories and experiences growing up in the sixties. The highly detailed collectors guide and all the incredible secrets on finding the original Hot Wheels is a step-by-step grass roots approach. Every passionate Hot Wheels collector can benefit regardless of their budget from the detailed instructions presented. Many of the most amazing cars and collections over the past three years are covered in detail with multiple color photos. You will see cars that were never known to exist in the hobby, until now. Redline Archeology 2 is truly a must read for any passionate collector of not only Hot Wheels, but any

collectible. Never has such an incredibly successful collector in the hobby revealed his secrets to finding the original Redline Hot Wheels.

Marke3 - inkl. Arbeitshilfen online
Anke Hommer, 2020-01-08 Mit diesem Buch werden Sie Ihre Marke mit klaren Ankerpunkten versehen, damit ein unverwechselbares und begehrenswertes Bild im Kopf der Verbraucher entsteht. Neben Design und Kommunikation entscheidet das räumliche Erleben einer Marke darüber, ob aus einem zufälligen Interessenten ein echter Kunde wird. Weil die Autorin auch die dritte Dimension - also den Raum - einbezieht, lautet der Buchtitel Marke3 - und damit entsteht ein ganzheitlicher Markenaufbau. Inhalte: - So geht ganzheitlicher Markenaufbau: Analyse, Design, Kommunikation und Raum - Wie findet man die Kernkompetenz einer Marke? - Markenrechte und Patente - Corporate Design, Corporate Behaviour, Corporate Culture - Die Wirkung von Räumen: Raumpsychologie in Läden, Restaurants, auf Messen und Veranstaltungen - Arbeitshilfen online:

Markenwerteliste, Mitbewerberanalyse, Kundenanalyse, Corporate Identity Check, People Branding Checkliste u.v.m.

New Guerrilla Anthony-James Owen, Petra Owen, 2016-10-10 Seien Sie anders als die anderen muss die Devise lauten, wenn man erfolgreiches Marketing betreiben möchte. Und das muss nicht einmal teuer sein. Gerade das Internet bietet vielfältige Möglichkeiten, um mit geringem Aufwand maximalen Erfolg zu erzielen. Über Podcasts, LinkedIn, XING, AdWords & Co lässt sich die Kundenaufmerksamkeit bereits mit einem kleinen Budget und wenig Zeitaufwand in die Höhe treiben. Petra und Anthony-James Owen beschreiben mit vielen Praxisbeispielen, wie man auch ohne eigene Marketingabteilung Guerilla-Marketing erfolgreich online einsetzen kann. Sie beleuchten unter anderem, welchen Wert etwa die eigene Website hat, wie man AdWords richtig aufsetzt, um möglichst viele auf die eigene Homepage zu locken, wie man Podcasts als Marketinginstrument nutzt oder wie man über LinkedIn und XING richtig netzwerkt. Mit diesem

Buch kann jeder eine Marketingstrategie entwickeln und zum erfolgreichen Marketing-Guerillero werden!

Wie kommen wir in die Zeitung?
Barbara Brecht-Hadraschek, 2007-09-21 Auf sich aufmerksam machen - die richtige Story im passenden Medium. Positive Erwähnungen in Presse & Co. sind oft effektiver als Werbung. Doch wie kommt man in Zeitungen, Zeitschriften und Reisemagazin hinein? Wofür interessieren sich Journalisten, und was ist der richtige Aufhänger? Wie bereitet man Texte und Bilder auf? Online-Pressearbeit, Presseverteiler, -mitteilungen und -fotos: Dieser PR-Berater im Buchformat liefert Praxiswissen für Hoteliers und Gastronomen, die mit ihrem Angebot medienpräsent sein möchten - glaubwürdig, authentisch und budgetschonend!
