

Make Me Jack Reacher

Lee Child

Make Me Jack Reacher :

Make Me Lee Child, 2015-09-10
Child's best for some time...with detective-story and romcom elements (even sly humour) on top of the psychological duels and set-piece violence. (Sunday Times) Jack Reacher has no place to go, and all the time in the world to get there. A remote railroad stop on the prairie with the curious name of Mother's Rest seems perfect for an aimless one-day stopover. He expects to find a lonely pioneer tombstone in a sea of nearly-ripe wheat. Instead there is a woman waiting for a missing colleague, a cryptic note about two hundred deaths, and a small town full of silent, watchful people. Reacher's one-day stopover turns into an open-ended quest leading to the most hidden reaches of the internet, and right into the nightmare

heart of darkness. _____ Although the Jack Reacher novels can be read in any order, *Make Me* is 20th in the series. Be sure not to miss Reacher's newest adventure, no.29, *In Too Deep!* ***PRE-ORDER NOW**

Make Me Lee Child, 2015 When he teams up with Michelle Chang, Jack Reacher finds himself involved in a private investigation that has turned lethal.

Reacher Said Nothing Andy Martin, 2020-03-16 It had never been attempted before, and might never be done again. One man watching another man write a novel from beginning to end. On September 1, 2014, in an 11th floor apartment in New York, Lee Child embarked on the twentieth book in his globally successful Jack Reacher series. Andy Martin was there to see him do it, sitting a couple of yards behind him, peering over his shoulder as the writer

took another drag of a Camel cigarette and tapped out the first sentence: "Moving a guy as big as Keever wasn't easy." Miraculously, Child and Martin stuck with it, in tandem, for the next 8 months, right through to the bitter-sweet end and the last word, "needle". *Reacher Said Nothing* is a one-of-a-kind meta-book, an uncompromising account in real time of the genesis, evolution and completion of a single work, *Make Me*. While unveiling the art of writing a thriller Martin also gives us a unique insight into the everyday life of an exemplary writer. From beginning to end, Martin captures all the sublime confidence, stumbling uncertainty, omniscience, cluelessness, ecstasy, despair, and heart-thumping suspense that go into writing a number-one bestseller.

Make Me Lee Child, 2015-08-27
Jack Reacher has no place to go, and all

the time in the world to get there, so a remote railroad stop on the prairie with the curious name of Mother's Rest seems perfect for an aimless one-day stopover. He expects to find a lonely pioneer tombstone in a sea of nearly-ripe wheat ... but instead there is a woman waiting for a missing colleague, a cryptic note about two hundred deaths, and a small town full of silent, watchful people. Reacher's one-day stopover becomes an open-ended quest...into the heart of darkness. Prepare to be nailed to your seat by another hair-raising, heart-pounding adventure from the kick ass master of the thriller genre!

Make Me (with bonus short story Small Wars) Lee

Child, 2015-09-08 #1 NEW YORK TIMES BESTSELLER • Don't miss the hit streaming series Reacher! ONE OF THE BEST BOOKS OF THE YEAR: Los Angeles Times, The Guardian, Suspense magazine • Stephen King calls Jack Reacher "the coolest continuing series character"—and now he's back in this masterly new thriller from Lee Child. "Why is this town called Mother's Rest?" That's all Reacher wants to

know. But no one will tell him. It's a tiny place hidden in a thousand square miles of wheat fields, with a railroad stop, and sullen and watchful people, and a worried woman named Michelle Chang, who mistakes him for someone else: her missing partner in a private investigation she thinks must have started small and then turned lethal. Reacher has no particular place to go, and all the time in the world to get there, and there's something about Chang . . . so he teams up with her and starts to ask around. He thinks: How bad can this thing be? But before long he's plunged into a desperate race through LA, Chicago, Phoenix, and San Francisco, and through the hidden parts of the internet, up against thugs and assassins every step of the way—right back to where he started, in Mother's Rest, where he must confront the worst nightmare he could imagine. Walking away would have been easier. But as always, Reacher's rule is: If you want me to stop, you're going to have to make me.

No Plan B Lee Child, Andrew Child, 2022-10-25 #1 NEW YORK TIMES BESTSELLER • A gripping new

Jack Reacher thriller from Lee Child and Andrew Child "No Plan B is not to be missed. A perfectly plotted, fast-paced thriller, with bigger twists than ever before. It's no wonder Jack Reacher is everyone's favorite rebel hero."—Karin Slaughter ONE OF THE BEST BOOKS OF THE YEAR: Reader's Digest In Gerrardsville, Colorado, a woman dies under the wheels of a moving bus. The death is ruled a suicide. But Jack Reacher saw what really happened: A man in a gray hoodie and jeans, moving stealthily, pushed the victim to her demise—before swiftly grabbing the dead woman's purse and strolling away. When another homicide is ruled an accident, Reacher knows this is no coincidence. With a killer on the loose, Reacher has no time to waste to track down those responsible. But Reacher is unaware that these crimes are part of something much larger and more far-reaching: an arsonist out for revenge, a foster kid on the run, a cabal of powerful people involved in a secret conspiracy with many moving parts. There is no room for error, but they make a grave one. They don't consider

Reacher a threat. "There's too much at stake to start running from shadows." But Reacher isn't a shadow. He is flesh and blood. And relentless when it comes to making things right. For when the threat is Reacher, there is No Plan B.

Small Wars: A Jack Reacher

Story Lee Child, 2015-08-18 In this eBook exclusive short story, #1 New York Times bestselling author Lee Child goes back to 1989, when Jack Reacher is an MP assigned to solve the cold-blooded murder of a young officer—whose killer may be closer to Reacher than he suspects. Don't miss a thrilling preview of Lee Child's highly anticipated new Jack Reacher novel, *Make Me!* The telex is brief and to the point: One active-duty personnel found shot to death ten miles north of Fort Smith. Circumstances unknown. Found in a silver Porsche along an isolated forest road in Georgia, the victim was shot twice in the chest and once in the head. A professional hit. Clean. The crime scene suggests an ambush. Military police officer Jack Reacher is given the case. He calls his older brother, Colonel Joe Reacher, at the

Pentagon for intel and taps Sergeant Frances Neagley to help him answer the big question: Who would kill a brilliant officer on the fast-track to greatness? For Jack Reacher, the answer hits home. Praise for #1 bestselling author Lee Child and his Reacher series "Welcome to the relentless world of Jack Reacher and his impressive tendency to be in the wrong place at the right time. . . . Child has created an iconic character that other thriller writers try to emulate but don't come close to matching."—Associated Press "[Reacher] is the stuff of myth, a great male fantasy. . . . One of this century's most original, tantalizing pop-fiction heroes."—The Washington Post "Jack Reacher is the coolest continuing series character now on offer."—Stephen King "Child is a superb craftsman of suspense."—Entertainment Weekly "Easily the best thriller series going."—NPR "The truth about Reacher gets better and better."—Janet Maslin, The New York Times "If you're a thriller fan and you're not reading the Reacher series, you're not a thriller fan."—Chicago Tribune

Personal Lee Child, 2014-09-02 #1 NEW YORK TIMES BESTSELLER • Jack Reacher returns in another fast-moving, action-packed, suspenseful book from Lee Child. You can leave the army, but the army doesn't leave you. Not always. Not completely, notes Jack Reacher—and sure enough, the retired military cop is soon pulled back into service. This time, for the State Department and the CIA. Someone has taken a shot at the president of France in the City of Light. The bullet was American. The distance between the gunman and the target was exceptional. How many snipers can shoot from three-quarters of a mile with total confidence? Very few, but John Kott—an American marksman gone bad—is one of them. And after fifteen years in prison, he's out, unaccounted for, and likely drawing a bead on a G8 summit packed with enough world leaders to tempt any assassin. If anyone can stop Kott, it's the man who beat him before: Reacher. And though he'd rather work alone, Reacher is teamed with Casey Nice, a rookie analyst who keeps her cool with Zolof. But they're facing a rough road, full of ruthless

mobsters, Serbian thugs, close calls, double-crosses—and no backup if they're caught. All the while Reacher can't stop thinking about the woman he once failed to save. But he won't let that happen again. Not this time. Not Nice. Reacher never gets too close. But now a killer is making it personal. Praise for Personal "The best one yet."—Stephen King "Reacher is the stuff of myth, a great male fantasy. . . . One of this century's most original, tantalizing pop-fiction heroes . . . Child does a masterly job of bringing his adventure to life with endless surprises and fierce suspense."—The Washington Post "Yet another satisfying page-turner."—Entertainment Weekly "Reacher is always up for a good fight, most entertainingly when he goes mano a mano with a seven-foot, 300-pound monster of a mobster named Little Joey. But it's Reacher the Teacher who wows here."—Marilyn Stasio, The New York Times

61 Hours Lee Child, 2010-05-18 #1 NEW YORK TIMES BESTSELLER • Don't miss the hit streaming series Reacher! "Reacher gets better and better. . . . [This is the] craftiest and

most highly evolved of Lee Child's electrifying Reacher books."—Janet Maslin, The New York Times A bus crashes in a savage snowstorm and lands Jack Reacher in the middle of a deadly confrontation. In nearby Bolton, South Dakota, one brave woman is standing up for justice in a small town threatened by sinister forces. If she's going to live long enough to testify, she'll need help. Because a killer is coming to Bolton, a coldly proficient assassin who never misses. Reacher's original plan was to keep on moving. But the next 61 hours will change everything. The secrets are deadlier and his enemies are stronger than he could have guessed—but so is the woman he'll risk his life to save.

Persuader Lee Child, 2003-05-13 THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES • The inspiration for season three of the hit streaming series Reacher! "Gripping and suspenseful . . . Child ratchets up the suspense to new heights."—The Denver Post Jack Reacher lives for the moment. Without a home. Without commitment. And with a burning desire to right wrongs—and

rewrite his own agonizing past. DEA Susan Duffy is living for the future, knowing that she has made a terrible mistake by putting one of her own female agents into a death trap within a heavily guarded Maine mansion. Staging a brilliant ruse, Reacher hurtles into the dark heart of a vast criminal enterprise. Trying to rescue an agent whose time is running out, Reacher enters a crime lord's waterfront fortress. There he will find a world of secrecy and violence—and confront some unfinished business from his own past.

Past Tense Lee Child, 2019 Jack Reacher plans to follow the autumn sun on an epic road trip across America, from Maine to California. He doesn't get far. On a country road deep in the New England woods, he sees a sign to a place he has never been - the town where his father was born. He thinks, what's one extra day? He takes the detour. At the very same moment, close by, a car breaks down. Two young Canadians are trying to get to New York City to sell a treasure. They're stranded at a lonely motel in the middle of nowhere. It's a strange place, but it's

all there is. The next morning in the city clerk's office, Reacher asks about the old family home. He's told no one named Reacher ever lived in that town. He knows his father never went back. Now he wonders, was he ever there in the first place?

Make Me Lee Child, 2015 When he teams up with Michelle Chang, Jack Reacher finds himself involved in a private investigation that has turned lethal.

Reacher Said Nothing Andy Martin, 2015-11-19 On September 1, 1994, Lee Child went out to buy the paper to start writing his first novel, in pencil. The result was *Killing Floor*, which introduced his hero Jack Reacher. Twenty years later, on September 1, 2014, he began writing *Make Me*, the twentieth novel in his number-one- bestselling Reacher series. Same day, same writer, same hero. The difference, this time, was that he had someone looking over his shoulder. Andy Martin, uber Reacher fan, Cambridge academic, expert on existentialism, and dedicated surfer, sat behind Lee Child in his office and watched him as he wrote. While Lee

was writing his Reacher book, Andy was writing about the making of *Make Me*. *Reacher Said Nothing* is a book about a guy writing a book. An instant meta-book. It crosses genres, by bringing a high-level critical approach to a popular text, and gives a fascinating insight into the art of writing a thriller, showing the process in real time. It may well be the first of its kind.

Make Me Lee Child, 2016-03-29 For use in schools and libraries only. 'Why is this town called Mother's Rest? That's all Reacher wants to know. But no one will tell him. It's a tiny place hidden in a thousand square miles of wheat fields, with a railroad stop, and sullen and watchful people, and a worried woman named Michelle Chang, who mistakes him for someone else: her missing partner in a private investigation she thinks must have started small and then turned lethal. Reacher has no particular place to go, and all the time in the world to get there, and there's something about Chang . . . so he teams up with her and starts to ask around. He thinks: How bad can this thing be? But before long

he's plunged into a desperate race through LA, Chicago, Phoenix, and San Francisco, and through the hidden parts of the internet, up against thugs and assassins every step of the way--right back to where he started, in Mother's Rest, where he must confront the worst nightmare he could imagine. Walking away would have been easier. But as always, Reacher's rule is: If you want me to stop, you're going to have to make me.

The Essential Jack Reacher, Volume 1, 7-Book Bundle Lee Child, 2015-07-14 Seven modern classics featuring the ultimate thriller hero, Jack Reacher—hailed by Stephen King as “the coolest continuing series character now on offer” Once an elite military cop, Reacher is now a man with no phone, no address, and no ties anywhere. He wanders the land and lives in the moment—a cool-headed righter of wrongs who won't let the bad guys get away with anything. This addictive eBook bundle features seven Reacher adventures, which can be read in any order. But fair warning: Once you start, you won't stop until you've finished them all. PERSUADER THE

With Child Andy

Martin, 2019-09-10 With a foreword by
Lee Child. Andy Martin spent a year in

the company of Lee Child, creator of
tough-guy hero Jack Reacher. With
Child is the diary of their adventures,
tracking the publication and reception
of Make Me, the writing of Night
School at an apartment in Manhattan,
the filming of Never Go Back in New
Orleans, all the agony and ecstasy of
the creative process and the sheer hard
work of selling a bestseller. They go on
the road together, from TV studios to
bookstores, from Harvard to
Stockholm, amid literary conferences
and gunshows, rivalries and reviews
ranging from adulatory to murderous.
We meet fellow writers like Stephen
King and David Lagercrantz and Karin
Slaughter, and dissect the latest novel
from Jonathan Franzen. But Martin also
reaches out to Child’s legion of readers
in America and around the world. He
tracks down a woman in Texas whose
name appears in the home invasion
scene in Make Me; he goes up a
mountain in Montana in search of the
only reader who thinks Reacher is a
“lightweight”; and he talks to obsessive
fans from Europe to South Africa who
find salvation or consolation in the
colossal form of Jack Reacher. This

compelling account of life on the road
with Lee Child demonstrates that
readers are just as important as writers
in the making of modern fiction.

ONE SHOT THE HARD WAY BAD LUCK AND TROUBLE NOTHING TO LOSE GONE TOMORROW 61 HOURS WORTH DYING FOR THE AFFAIR A WANTED MAN Also includes the eBook short stories “Second Son” and “Deep Down” as well as an excerpt of the latest Jack Reacher thriller, Never Go Back! Praise for #1 bestselling author Lee Child and his Reacher series “Child is a superb craftsman of suspense.”—Entertainment Weekly “Like his hero Jack Reacher, Lee Child seems to make no wrong steps.”—Associated Press “Lee Child [is] the current poster-boy of American crime fiction.”—Los Angeles Times “Indisputably the best escape artist in this escapist genre.”—Marilyn Stasio, The New York Times “Jack Reacher is much more like the heir to the Op and Marlowe than Spenser ever was. . . . Reacher is as appealingly misanthropic as ever.”—Esquire “For pure fun, the Reacher novels are easily the best thriller series going.”—NPR “Widely admired by other writers as a master craftsman of action thrillers.”—The Wall Street Journal “Implausible, irresistible Reacher remains just about

the best butt-kicker in thriller-lit.”—Kirkus Reviews

Space, Place, and Bestsellers Lisa Fletcher, Elizabeth Leane, 2024-06-30 From airport bookstores to deckchairs, as audiobooks downloaded by commuters, and on Kindles and other portable devices, twenty-first century bestsellers move in old and new ways. This Element examines the locations and mobilities of the contemporary bestseller as a multi-format commercial object. It employs paratextual, textual, and site-based analysis of the spatiality of bestsellers and considers the centrality of geography to the commercial promise of these books. *Space, Place, and Bestsellers* provides analysis of the spatial logic of bestseller lists, evidence-rich accounts of the physical and digital retail sites through which bestsellers flow, and new interpretations of how affixing the label ‘bestseller’ individual authors and titles generates industrial, social, and textual effects. Through its multi-layered analysis, this Element offers a new model for studying the spatiality of popular fiction.

The Hard Way: A Jack Reacher

Novel Lee Child, 2009-05-19 THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES • Don’t miss the hit streaming series Reacher! “The truth about Reacher gets better and better. . . . This series [is] utterly addictive.”—Janet Maslin, The New York Times Jack Reacher was alone, the way he liked it, soaking up the hot, electric New York City night, watching a man cross the street to a parked Mercedes and drive it away. The car contained one million dollars in ransom money because Edward Lane, the man who paid it, would do anything to get his family back. Lane runs a highly illegal soldiers-for-hire operation. He will use any tool to find his beautiful wife and child. And Jack Reacher is the best manhunter in the world. On the trail of vicious kidnappers, Reacher learns the chilling secrets of his employer’s past . . . and of a horrific drama in the heart of a nasty little war. He knows that Edward Lane is hiding something. Something dirty. Something big. But Reacher also knows this: He’s already in way too deep to stop now. And if he has to do it the hard way, he will.

Bestseller Robert

McParland, 2018-12-15 Whether curled up on a sofa with a good mystery, lounging by the pool with a steamy romance, or brooding over a classic novel, Americans love to read. Despite the distractions of modern living, nothing quite satisfies many individuals more than a really good book. And regardless of how one accesses that book—through a tablet, a smart phone, or a good, old-fashioned hardcover—those choices have been tallied for decades. In *Bestseller: A Century of America's Favorite Books*, Robert McParland looks at the reading tastes of a nation—from the beginning of the twentieth century to the present day. Through extensive research, McParland provides context for the literature that appealed to the masses, from low-brow potboilers like *Forever Amber* to Pulitzer-Prize winners such as *To Kill a Mockingbird*. Decade by decade, McParland discusses the books that resonated with the American public and shows how current events and popular culture shaped the reading habits of millions. Profiles of authors with frequent appearances—from

Ernest Hemingway to Danielle Steel—are included, along with standout titles that readers return to year after year. A snapshot of America and its love of reading through the decades, this volume informs and entertains while also providing a handy reference of the country's most popular books. For those wanting to learn more about the history of American culture through its reading habits, *Bestseller: A Century of America's Favorite Books* is a must-read.
